Choose "A Real Camera Store!"
<p>Newtonville Camera. Boston's most friendly and trusted camera store. Since 1974, Newtonville Camera has been locally owned and operated by the Roberts family. We stock most everything that you can think of related to photography. Our in-house services are reasonably priced and second to none: real photographic picture printing, home movie to DVD transfers, old photograph restoration or photographic copying, and we can make your photos into poster prints. We also take passport photos while you wait. Choose Newtonville Camera, "a real camera store!"</p>

Don't get your prescriptions refilled with us...
<p>And maybe you shouldn't get your photos from a pharmacy! NVC lab prints are better than ever. Featuring white whites, blacker blacks, and more vivid colors! Our modern dry-lab is better for the environment as it uses much less electricity and there is no waste chemistry.</p>

Something Not Working Right?
<p>Bring in your camera equipment and we'll take a look at it - free of charge! We'll diagnose what the problems is and give you an estimate of what it'll cost, and how long it'll take to repair.</p>

The Fine Print
<ul style="list-style-type: none"> • Professionally produced content cannot be reproduced without an official written release from the producer. • Rush priority is typically available for most services. Adding rush priority will half the normal turnaround time, double the cost, and a reservation must be made to add rush priority. • Don't see something? Please ask us! • Prices and services subject to change without notice.
<p>LIMITS OF LIABILITY: Submitting any film, print, slide, negative, tape, or digital media to this firm for processing, printing or other handling constitutes an AGREEMENT by you that any damages or loss by our company, subsidiary, or agents, even though due to the negligence or other fault of our company, subsidiary or agents, will only entitle you to replacement with a like amount of unexposed film and processing. Except for such replacement, the acceptance of the film, print, slide, negative or digital media is without other warranty or liability, and recovery for any incidental or consequential damages is excluded.</p>

<ul style="list-style-type: none"> • non-archival prints start to fade after about a year • typical non-holiday turnaround: 10-20 minutes 	

Photo Course: Beyond Auto
This two-part, introductory course will cover your camera's different exposure modes (P, S/Tv, A/Av, M) as well as concepts of Shutter Speed, Aperture, and ISO . We will also discuss optimal settings for different circumstances , how to activate them, and why they're ideal. From your child's Little League game to those beautiful sunsets down on Cape Cod; from exquisite night scenes to captivating portraits - your camera will perform better than ever.
<ul style="list-style-type: none"> • check our website for the schedule • payment is required for reservation • seats are limited, reserve your place now
